4. VDC/DOE Project Team Report
5. Treasurer's Report
6. Other as needed

RSVP regrets and ILN attendance please

DIRECTIONS TO VERMONT INSTITUTES

The Vermont Institutes are located in Alumni Hall at 45 College Street in Montpelier.

Parking is available next to Alumni Hall (large lot straight across College Street where East State Street ends), and also on the streets surrounding the green. The entrance to The Vermont Institutes offices in Alumni Hall is on College Street. From the parking lot, pass the three blue doors of the Alumni Hall facade and take the first sidewalk cut on your left. This sidewalk leads to stairs descending to a brick patio terrace. At the terrace level, the entrance to The Vermont Institutes office is through the white doors on your left.

From Interstate 89

Get off at Exit 8, Montpelier

Follow the off ramp, go through one light (it may be blinking).

At the 2nd light, turn left onto Bailey Avenue.

Go over the Winooski River and turn right at the light onto State Street.

Go about 3 blocks, to the next traffic light. Go straight through. (This is the center of town, the intersection of State and Main.)

Continue up the hill—you are now on East State Street. When you cross a four-way intersection (no light or stop sign) with Hubbard Street, you are about halfway up the hill. Alumni Hall is straight ahead of you when you reach the end of East State Street.

From Eastern Vermont via Route 2

Follow Route 2 into Montpelier.

Go straight through the first three traffic lights. (The first light is at the junction of Routes 2 and 302, the second is for a right turn only onto Barre Street, and the third is at the junction of Granite and Berlin Streets—you will see a green iron bridge on your right.)

At the fourth light, the intersection with Route 12, turn right, following signs for Business District and Rt. 12 North. You are now on Main Street.

At the next traffic light (after just two small blocks, one with a flashing light for the fire station), turn right onto East State Street.

Continue up the hill on East State Street until it ends—Alumni Hall will be straight ahead of you.

From Route 12, south from Morrisville, etc.

Come into Montpelier, eventually passing a few small markets, then a graveyard on your left.

You are now on Elm Street.

Stay straight on Elm Street when Rt. 12 branches off. Pass Spring Street, School Street, Langdon Street.

Turn left onto State Street at the T (stop sign).

Go one block, then go straight through the intersection with Main Street (traffic light).

Continue up the hill—you are now on East State Street. Alumni Hall is straight ahead of you when you reach the end of East State Street.
