Directions to Montpelier School District Central Office

MSD conference room at the central office - 58 Barre Street. Parking in Montpelier is always an issue, so I would encourage you to give yourself a little extra time to find a space. There may be parking in their lot, but you can never tell. There is public parking requiring a modest fee that is usually available. To get to it, turn into the parking lot for Sarducci's Restaurant and drive past the restaurant. Park at the first spots on the left. Paying for the space requires walking to a meter box further down the road, inserting some quarters, and typing in the number of the space you occupied. The police know which spaces are paid for and ticket others. The parking spots are behind a large building, an old armory. Drive down the armory driveway and 58 Barre is directly across the street. The conference room is on the top floor.
